SIMPLY CHIC COLLECTION

SIMPLY CHIC COLLECTION

Elegant, understated design

Smart and sophisticated, the Simply Chic range of bedroom furniture is made from solid Acacia and Acacia veneers with a subtle, lacquered finish. The elegant, understated design, combined with the deep, rich tones of the wood give the range a gracious, contemporary sophistication. This range will bring chic and individual style to your bedroom. The range has a unique quality due to the fact that the small imperfections that characterise the timber have occurred naturally in the forest rather than through an artificial distressing process. Grain detail and occasional knotting adds authentic character.
