CITY COLLECTION

Clean angular lines and crisp, chic finish

The City bedroom collection is crafted from solid Oak and Oak veneers. Highly contemporary in its design, the clean angular lines and crisp, chic lacquered finish, give the range its distinctly modern feel. Highly flexible due to the modular nature of the pieces this range brings an uncluttered, sophisticated style to your bedroom. The range has a unique quality due to the fact that the small imperfections that characterise the timber have occurred naturally in the forest rather than through an artificial distressing process. Grain detail and occasional knotting adds authentic character.
