CREOLE COLLECTION

CREOLE COLLECTION

“The golden tones of the wood, the simple lines and elegant curves of the design give the range an immediate appeal”

The Creole Collection of bedroom furniture is crafted from solid Hevea and Hevea veneers with a subtle, lacquered finish. The natural warmth and interesting grain of the wood combined with the simple lines and elegant curves of the design give the range an immediate appeal and make it ideal for a wide range of settings both traditional and more contemporary. The range has a unique quality due to the fact that the small imperfections that characterise the timber have occurred naturally in the forest rather than through an artificial distressing process. Grain detail and occasional knotting adds authentic character.
