Lille Collection

Classic, sophisticated French style

The Lille collection of bedroom furniture is made from a mixture of solid Alder and American Cherry veneers with a subtle lacquered finish. This is a beautiful collection of french inspired furniture in a classic style with graceful curves and warm, rich wood tones. Ideal for town and country settings this range will impart a sense of French style and grandeur to your bedroom. The range has a unique quality due to the fact that the small imperfections that characterise the timber have occurred naturally in the forest rather than through an artificial distressing process and the grain detail adds character.
