LILLE DINING COLLECTION

LILLE DINING COLLECTION

Classic French sophistication

The Lille dining collection is crafted from a mixture of solid Alder and Cherry veneers with a subtle, lacquered finish. This sophisticated collection combines a classic, French-inspired style with graceful, simple curves. The end result is a stylish collection which brings grandeur and elegance to any dining room. The range has a unique quality due to the fact that the small imperfections that characterise the timber have occurred naturally in the forest rather than through an artificial distressing process. Grain detail and occasional knotting adds authentic character.
