MILAN COLLECTION

Chic, contemporary Italian style

The Milan collection of dining and occasional furniture has the style and sophistication of contemporary Italian design. Made from solid black Walnut and Walnut veneers with an oiled finish, the clean lines of the design combine with the rich tones of the wood to create a luxurious range that is ideal for chic, contemporary living. The range has a unique quality due to the fact that the small imperfections that characterise the timber have occurred naturally in the forest rather than through an artificial distressing process. Grain detail and occasional knotting adds authentic character.
