RIO COLLECTION

RIO COLLECTION

Elegance and style brought to your bedroom

The Rio Collection of bedroom furniture is crafted from solid Hevea and Hevea veneers with a subtle, lacquered finish. The rich tones of the wood and elegant curves of the design give the range a simple sophistication and an immediate appeal. Ideal for a wide range of settings both traditional and more contemporary, the Rio collection will bring elegance and style to your bedroom. The range has a unique quality due to the fact that the small imperfections that characterise the timber have occurred naturally in the forest rather than through an artificial distressing process. Grain detail and occasional knotting adds authentic character.
