## Winchester Collection

*Crisp, fresh simplicity*

The Winchester collection of bedroom furniture is crafted from solid Birch and Birch veneers with a gently distressed, lacquered paint finish. Its simple clean lines and understated contemporary style suit any location from town house to barn conversion and country cottage. The freshness of the paint finish and simplicity of the shaker inspired design brings a crisp, timeless elegance to your bedroom. The distressed paint finish on this range is achieved through the application of several layers of paint which are then gently aged in places. The hand finishing of each individual item and the appearance over time of hairline cracks in the paint finish - a natural part of the ageing process - results in a subtle variation in finish between pieces giving each piece its own unique character.
